SELINGROVE SPEEDWAY RACE SUMMARY - 31 March 2007

SELINGROVE, Pa. March 31 - Scott Flammer of West Milford, NJ, wired the field for his first career victory in 358 sprint car competition in Saturday night's 25-lap season opener at Selingsrove Speedway. He went on to post the victory by 1.070 seconds over Pat Cannon of Etters. Chris Shuey of McCungie scored the victory in the 25-lap season opener for late models after a wheel-to-wheel duel with Tony Adams of Sunbury for most of the event. Shuey was victorious by a half car-length. Veteran Larry Hare of York recorded his first career win in pro stock competition by holding off defending track champion Gary Beward of Thompsettown in the division's 15-lap main event. SELINGROVE SPEEDWAY SUMMARY - 27 May 2007

SELINGROVE, Pa. May 27th- Greg Hodnett of York won a thrilling battle over Brian Leppo of New Oxford in the 30-lap Keystone Cup Series 410 sprint car main event Sunday night at Selingsrove Speedway. Hodnett's \$5,000 victory signified his 10th career win at Selingsrove Speedway and allowed him to overtake the Dupont/Tyvek Keystone Cup Series points lead by four points over Fred Rahmer of Salfordville going into Monday's finale at the Port Royal Speedway. Lance Dewease of Fayetteville was the fast qualifier with a lap time of 17.063. Gary Beward of Thompsontown wired the field for his third win of the season in the 15-lap pro stock main event.

In the sprint car feature, second-place starter Leppo took the lead on the second lap from polesitter Lucas Wolfe while racing down the backstretch. By lap nine, Leppo was steadily approaching lapped traffic as he pulled away from second and third place racers Wolfe and Jeff Shepard. On lap 10, Shepard, who started fourth, completed the pass around Wolfe for second. Eighth-place starter Mark Smith powered into third a lap later. At the halfway point of the race, the caution flag slowed the field as ninth-place starter Doug Esh lost his wing's side panel while running in the fourth position.

On the restart Leppo pulled away while Shepard and Smith battled behind for the second spot. Smith completed his pass for second on lap 18 off turn four. A caution on lap 19 slowed the field yet again as track regular Blane Heimbach slowed on the backstretch. Leppo once again pulled away on the restart as Shepard challenged back for the second spot from Smith. Shepard completed the pass as Smith slowed to a stop in turn three. On lap 25, third-place starter Hodnett passed Shepard in turns one and two, only to have Shepard sneak back by. On the same lap, a caution for a slowing car brought the field back together. The field was then red-flagged so the teams could refuel the sprint cars for the final five laps.

When the race resumed, Hodnett powered into second and took the lead off turn two on lap 27. While running second, Shepard stopped along the backstretch on lap 29. The one-lap chase to the checkered flag saw Hodnett pull away on the restart and win the race over Leppo, 11th-place starter Fred Rahmer, seventh-place starter Todd Shaffer and 13th-place starter T.J. Stutts rounding out the top five.

Second-place starter Beward powered into the lead at the start of the pro stock feature. Meanwhile, polesitter AJ Hoffman and third-place starter Troy Miller dueled for the runner up position for most of the event. At the checkered flag, Beward was victorious over Miller, eighth-place starter Larry Hare, Hoffman and fifth-place starter Peanut Heintzelman.

SELINGSGROVE SPEEDWAY RACE SUMMARY – 11 August 2007

SELINGSGROVE, Pa. Aug. 11th – Saturday night's 25-lap 358 sprint car race at Selingsgrove Speedway was a war on wheels between two number 5's. In the end, it was the number 5 driven by Dave Calaman of Carlisle who came away with his fifth win of the season over Phil Walter of McClure. At the start of the race, a multi-car crash occurred in turn four which caused Calaman's Godfrey Motorsports racer to get a flat tire. His crew repaired the car, and Calaman completed an impressive drive from the rear of the field for the victory.

In the 25-lap late model feature, Jeff Rine of Danville continued his domination of the division by capturing his sixth win of the season. Gary Beward of Thompsontown, also experiencing a strong season, drove to his seventh win of the season in the 15-lap pro stock main event. Gary Kerstetter of McClure won his first race of the season in the 12-lap roadrunner race.
