

**MODIFIEDS RETURN TO SELINGROVE SPEEDWAY
THIS SATURDAY, MARCH 21 IN \$5,000-TO-WIN ICEBREAKER 40!**

SELINGROVE, Pa. – Selingsrove Speedway will open the 2020 season at 2 p.m. this Saturday, March 21, with the highly-anticipated return of the Northeast modifieds in the \$5,000-to-win Icebreaker 40!

The Icebreaker will be a combined small and big block non-sanctioned race offering a \$24,625 purse! Also on the March 21 program will be the crate 602 sportsman modifieds in a \$1,000-to-win 20-lap feature. Pit and grandstand gates will open at 11 a.m. with practice laps slated for 1:30 p.m.

Speedway officials will continue to monitor the international COVID-19 situation throughout the week and will follow any directives from state and federal governments. As of March 15, preparations are underway to open the track for this weekend's modified showdown.

Many of the northeast's top modified teams are expected to converge at the Snyder County half-mile oval for this historic race, which dates back to 2008 but fell victim to inclement weather in recent years.

Drivers will draw for their starting positions in heat races for both divisions. A redraw will be conducted to determine the first several starting positions in the main events. Additional rules and details are posted on selingsrovespeedway.com. Drivers do not need to be pre-registered to compete this weekend.

Previous dirt modified winners at Selingsrove Speedway include Dave Kelly (big block, 1982), Rick Laubauch (big block, 2008), Pat Ward (small block, 2009, 2010), Danny Johnson (big block, 2009, 2011), Matt Shepard (big block, 2010), Jeff Strunk (small block, 2011), Duane Howard (small block, 2012, 2013), Ryan Godown (big block, 2012), and Billy Pauch (big block, 2012).
